ARREST WARRANT AFFIDAVIT

THE STATE OF TEXAS

§

COUNTY OF TARRANT

§

BEFORE me, the undersigned authority, on this day personally appeared the undersigned Affiant, who after being by me duly sworn on oath deposes and says: My name is [REDACTED]; Detective, Grapevine Police Department with over 15 years of total law enforcement experience, and I have good reason to believe that on **11-20-23** at 4138 Mapleridge Drive, Grapevine, Tarrant County, Texas, **Ludwig, Kami Christine**, a **White Female**, born on [REDACTED] did then and there commit the offense of; **MURDER**, a **1ST DEGREE FELONY**, in violation of Section 19.02 (b)(4) Texas Penal Code.

MY belief is based upon Grapevine Police Department offense report #**2300053389**, for the offense of **MURDER** and the subsequent follow-up investigation conducted by your Affiant, and other law enforcement officers.

- 1) On Monday, November 20th, 2023, at 0445 hours Grapevine PD patrol officers were dispatched to 4138 Mapleridge Drive in Grapevine, Tarrant County, Texas in reference to a death/drug overdose investigation.
- 2) Upon the officer's arrival they were informed by medics that the reporting party, later identified as Kami Christine LUDWIG (W/F, DOB: [REDACTED], TXDL# [REDACTED]), was in a neighbor's residence while the decedent, identified as William Shane NOLEN (W/M, DOB: [REDACTED]), was lying in a bed in the master bedroom of the residence on the 2nd floor of 4138 Mapleridge Drive. During the officer's initial consultation with Grapevine Fire Department medics, they were told that LUDWIG was "extremely emotional as well as erratic in her behavior". Of note, NOLEN's nine-year-old son was found inside the residence at 4138 Mapleridge alone when authorities arrived at the scene.
- 3) When the responding officer surveyed the scene in the master bedroom of 4138 Mapleridge Drive he noted that it was "evident" rigor mortis has set in, and his skin was "bluish-purple". The reporting officer also noted the decedent displayed a "white foam" in around his nose/mouth.
- 4) During this investigation patrol officers would contact both Detective [REDACTED] and your Affiant ([REDACTED]) to assist in the investigation.
- 5) Upon my arrival, during my initial walk through of the crime scene, I observed the following evidentiary items of note: one blue "M-30" (known to be laced with Fentanyl) pill lying on the stairs leading to the second floor of the residence, numerous pills believed to be Xanax strewn about on the floor adjacent to the bed NOLEN was found in, and on the vanity in the master bathroom I observed a cut straw (known by your Affiant to be commonly used to ingest

- 6) narcotics) and a powder residue. The evidence observed on this bathroom vanity were found next to a woman's purse (later determined to be LUDWIG's) inside of which plainly seen was a small plastic bag of a substance believed to be cocaine, and other plastic baggies housing additional pills that resembled the blue "M-30" pills.
- 7) After speaking with LUDWIG at the scene the decision was made to place her under arrest for the possession of multiple controlled substances that had been found in her purse. After LUDWIG was arrested your Affiant completed a search warrant for 4138 Mapleridge Drive.
- 8) During the serving of this warrant your Affiant would recover the following: .614 grams of cocaine, 4.08 grams of fentanyl laced "M-30" pills (approx. 40 fentanyl laced pills), .348 grams of oxycodone, and 7.70 grams of alprazolam (generic Xanax). Each of these recovered narcotics would be confirmed as such via laboratory tests completed by the Tarrant County Medical Examiner's office.
- 9) Later in the afternoon, on 11-20-24, your Affiant completed a search warrant seeking authority to search LUDWIG's cell phone (an Apple I Phone) that was recovered during the search of NOLEN's residence.
- 10) During your Affiant's search of LUDWIG's cell phone numerous messages were recovered indicating that LUDWIG's source of "M-30" pills were subjects identified as "Blue" and "T". LUDWIG's call history would show that upon her and NOLEN's return from their trip to Louisiana she would call "Blue" multiple times, and she messaged "T" that she "just got back" asking if she could "come over real fast". Furthermore, on 11-21-23 "Blue" would message LUDWIG that "getting harder to get pills get why you can". Messages on LUDWIG's phone would show that "Blue" and "T" reside at 2309 Chelsea Drive #2008 in Fort Worth, TX.
- 11) On Wednesday, November 22nd, 2023, I would present a cell phone data warrant for LUDWIG's cell phone (number [REDACTED]). After this warrant was signed, this legal service was sent to her cell phone provider (Verizon).
- 12) On November 25th, 2023, Grapevine patrol officers were once again dispatched to the residence on Mapleridge Drive. During this incident it would be learned that LUDWIG had a package delivered from Louisiana that housed an Apple I Phone box containing dozens of pills believed to be Xanax. This package was addressed to LUDWIG.
- 13) On January 5th, 2024, your Affiant received LUDWIG's cell phone location data from Verizon. This data would clearly show LUDWIG travel from the residence on Mapleridge to 2309 Chelsea Drive in Fort Worth on 11-19-23 at 1857 hours. LUDWIG would call NOLEN from this same address in Fort Worth at 2023 hours. This indicates that NOLEN did not accompany LUDWIG to the address on Chelsea Drive.
- 14) On January 5th, 2024, your Affiant would review the final Tarrant County Medical Examiner's office Death Investigation report. This report concluded that NOLEN's cause of death was "Mixed Drug Toxicity (Fentanyl, Trazodone)".
- 15) The evidence uncovered in this investigation has proven that LUDWIG "knowingly distributed" a quantity of Fentanyl that lead to NOLEN's death as a result of injecting, inhaling, or introducing said Fentanyl into his body.
